I agree to purchase two wines at each of the three Release Events. I can pay for my wine at the time I pick it up, or charge it to my credit card, along with UPS shipping fees if I have the wine shipped. I understand this is a one-year membership, and will purchase 2 bottles at each of the three Release Events within a twelve month period. I understand I can avoid shipping charges if I pick up my wines at the Eckert Estate Tasting Room during the release month. If I have not picked up my Release Package by the end of the Release month, I agree to have my wine sent to me via UPS, and will pay the shipping fees. At the end of the twelve-month membership, I can withdraw from the Club with written or email notice to Eckert Estate Winery.
